Convenience

- **Parental Rating Control**
The RCA DVD Player gives studios the capability to put the control of movie viewing where it belongs—in parents' hands. It allows you to choose what is suitable for your child to see.[†] And without a password, the rating control cannot be altered—great when adult supervision is not always possible.
- **Multi-Language/Subtitle Capability[†]**
DVD discs can support up to eight different audio languages, 32 different subtitle tracks and closed captioning.
- **Programmable Playback**
Memorizes playback sequence of video chapters or audio tracks for automatic playback.
- **Chapter/Track/Search**
Scan through each DVD chapter or CD audio track in sequence or access the desired chapter/track by direct input, via remote.
- **Chapter/Track/Side Repeat**
Permits automatic repeat of favorite DVD chapter or audio track.
- **Repeat A-B**
Repeat specified segment of program material.
- **Random Access**
Rapid random access to any part of the disc via remote control.
- **Ten Marker Functions**
Player remembers up to ten different locations on disk for fast indexing to specific location.

Connections

- **Audio/Video Outputs**
Direct audio and video connections for optimum performance.
- **S-Video Output**
Provides optimum video performance with increased brightness/color signal separation for monitors equipped with S-Video input.
- **DOLBY⁵ DIGITAL and DTS⁹ Bit-Stream Output⁸**
Provides an encoded six-channel digital output via optical jack.
- **RF Adapter Capability^{*}**
Allows DVD playback on any TV via channel 3 or 4. For use with TVs that do not have direct audio/video inputs. Optional accessory required.
- **Included Accessories**
 - Stereo Audio/Video Cables
 - S-Video Connector Cable
 - AC Power Cord
- **Back Panel**

Plus

- **Limited Warranty**
See RCA dealer for complete details.
